

# Opening a Personal Bank Account

# Here's what to do

Thank you for choosing Westpac. We've been helping Fijians with their banking needs since 1901.

We look forward to you being a valued customer.

To open a Westpac personal bank account, you'll need to provide us with a signed and completed personal account opening form, along with some current identification documents.

## We need to verify the following:

1. Full name
2. Date of birth
3. Residential address
4. Occupation
5. Photo identification and signature
6. Citizenship
7. Income source documentation

All documents must be original and current unless specified. If additional documents are required, we'll let you know.

Given customer circumstances vary, there may be instances where Westpac will be required to carry out additional due diligence checks on certain customers. This is required in order for Westpac to meet its legal and regulatory obligations. Please note that in such cases, the account opening may take longer to complete.

## Tax Identification Number is mandatory

- ☐ Joint Fiji Revenue Customs Services (FRCS) and FNPF ID Card or TIN letter

## **Additional identification required for non-residents**

- ☐ Current/Valid passport or any other travel documents issued by a foreign government or recognised international organisation; and
- ☐ Current/Valid work, business or other permit issued by the Fiji Immigration Department
