Opening an account - Here's what you need to do:

Speak to a Banking Representative by calling 132 032 or visiting any of our local branches near you.

To open a Westpac Personal Cheque account, you'll need to provide us with a signed and completed personal account opening form, along with some current identification documents.

We need to verify the following:

1. Full name
2. Date of birth
3. Residential address
4. Occupation
5. Photo identification and signature
6. Citizenship
7. Income source documentation

All documents must be original and current unless specified. If additional documents are required, we'll let you know.

Given customer circumstances vary, there may be instances where Westpac will be required to carry out additional due diligence checks on certain customers. This is required in order for Westpac to meet its legal and regulatory obligations. Please note that in such cases, the account opening may take longer to complete.

Download the Opening a Personal Bank Account Brochure for a list of accepted identification and additional identification required for non-residents.

Visit your branch or call 132032 for more information.

Terms and Conditions
