1.1 Introduction

- (a) These Conditions of Use, together with the other documents comprising the Credit Card Contract, govern the use and operation of your Credit Card, including the use of your Credit Card and PIN.
- (b) These Conditions of Use apply to the Primary Cardholder, any Supplementary Cardholder(s) and to all transactions involving the use of your Card or Card details.
- (c) These Conditions of Use do not, on their own, contain all the terms applying to your Credit Card, so it is important that you read all of the documents comprising the Credit Card Contract carefully and retain them for future reference.
- (d) If there is any inconsistency between these Conditions of Use and other terms and conditions, these Conditions of Use will prevail.
- (e) If you do not understand something in these Conditions of Use, please talk to our staff. They will be happy to help you.

1.2 When the Conditions of Use take effect

- (a) Either activation of the Card Account, or the first transaction on the Card Account (whichever comes first) will be taken as your agreement to comply with these Conditions of Use.
- (b) If you are a business cardholder, you acknowledge that any securities held (currently or in future) by the Bank to secure monies advanced under the Credit Card Contract can be applied against debts incurred on your Card should you fail to meet your obligations under the Conditions of Use.

3.0 The Card and PIN

3.1 Types of Cards

These Conditions of Use govern:

- The Westpac Classic Visa Credit Card
- The Westpac Business Visa Card

3.2 Supplementary Cards

- (a) You (being the Primary Cardholder) can ask us to give a Supplementary Card and PIN to any person you nominate as your agent to operate on the Card Account, provided that person is over the age of 18 years. A Supplementary Cardholder must also comply with these Conditions of Use.
- (b) Where a Supplementary Card has been issued at your request:
- you authorise us to give the Supplementary Cardholder information about the Card Account for the purpose of their use of the Supplementary Card. In addition, you authorise us to act on the instructions of the Supplementary Cardholder in relation to the Card Account, except for a request for an increase to the credit limit on the Card Account, termination of the Card Account or the replacement of the Supplementary Card following cancellation of that Card by you;
 - you are responsible for the use of the Supplementary Card and you must pay for all transactions made by the Supplementary Cardholder, including any charges;
 - you can cancel the Supplementary Card by cutting it into several pieces and either returning them to us, or informing us by telephone that you have destroyed the Card and disposed of the pieces securely. You must then write to us to confirm cancellation of the Card. If you cannot destroy the Card, you should ask us to put a stop on the Card Account;

- you should be careful in cases where you cannot destroy the Supplementary Card because, although a stop may have been placed on the Card Account, the Supplementary Card may have been placed on the Card Account, the Supplementary Card may still be used in some circumstances (for example, for store purchases below floor limits where no electronic approvals are in place);
 - you will not be responsible for the continuing use of the Supplementary Card from the later of the date you advise us that you want the Supplementary Card cancelled, and when you have taken all reasonable steps to have the Supplementary Card returned to us. What constitutes taking all reasonable steps to have the Supplementary Card returned to us will vary, depending on the particular circumstances. At a minimum, it will require you to contact the Supplementary Cardholder, if at all possible, and request them to surrender the Supplementary Card to you, so that you can return it to us.
- (c) When a Supplementary Cardholder uses their Card to access accounts held by that Supplementary Cardholder, they are acting as a principal in their own right. You will not be responsible for any such use where you are not party to such an account.
- (d) As stated in paragraph (a) of this clause, a Supplementary Card is issued at your request to a nominated Supplementary Cardholder, as your agent to operate on the Card Account. On your death, the authority you have given the Supplementary Cardholder is automatically cancelled and the Supplementary Card can no longer be used to access either the Card Account or any accounts held by the Supplementary Cardholder.

- (e) If a Supplementary Cardholder wishes to deposit a cheque made out to them into the Card Account they must firstly transfer ownership of the cheque to the Primary Cardholder. This is done by the Supplementary Cardholder writing the words “Please pay (Primary Cardholder’s name)”, along with the Card Account number, then signing the back of the cheque.

3.3 Selection/Issue of PIN

We will allocate a PIN to you when your Card is first issued. If the record of the PIN is lost or stolen, we may issue you with a new PIN and, in some circumstances, we may issue you with both a new Card and PIN.

3.4 Card reissue

We may issue a new Card to you at any time. All such Cards are subject to these Conditions of Use. We reserve the right not to reissue a Card.

3.5 All Cards remain our property

You agree that your Card remains the property of the Bank and agree to return the Card to us on: our request; or cancellation of your Card; or closure of the Card Account; or termination of your authority to operate the Card Account.

4.0 Using the Cards

4.1 When can you use your Card?

- (a) Your Card is valid only if it has been signed by you and is used during the validity period shown on the face of the Card.
- (b) You must destroy any Card that is no longer valid by immediately cutting it into several pieces and disposing of them securely.

4.2 Where can you use your Card?

- (a) You can use your Westpac Classic Visa Credit Card anywhere in the Region or globally wherever the Card is accepted.
- (b) You can use your Card at any Merchant directly or by mail order, telephone order, through the internet or at any financial institution or Electronic Banking Terminal displaying the applicable scheme sign for your Card.
- (c) If you use your Card outside your location, certain legal and regulatory requirements may apply (for example, Foreign Exchange Control Regulations). Details of such requirements, if any, may be obtained from our branches.

4.3 Foreign currency transactions

- (a) Any statement entries for purchases or Cash Advances/withdrawals made in a foreign currency includes the following three components:
 - the foreign currency transaction amount, converted into local currency by Visa International;
 - any fee that may be charged by Visa International to Westpac on foreign currency transactions, which will be passed on to you; and
 - a foreign currency transaction fee charged to you by Westpac, being a percentage of the local currency transaction amount.

A foreign currency transaction fee will apply to all international transactions, whether originally made in the currency your Card was issued, or converted from a foreign currency.

Details of these fees are set out in the letter which advises your credit limit and other prescribed information we are required to give you by law.

- (b) Transactions processed in foreign currencies will be converted into your local currency before they are listed on Card Account statements. Levies or fees may be charged by the applicable Credit Card scheme during the conversion process. In most cases, the rate applied to the refund of purchase transactions will differ from the original rate applied to the purchase. The method of conversion is as follows:

Visa International (Visa) processes Cash Advances, purchases, any other charges incurred and refunds transactions made in foreign currencies, and converts these transactions into local currency. Transactions that are made in United States dollars, Canadian dollars, New Zealand dollars, Singapore dollars, Pounds Sterling, Euros and Japanese Yen are converted directly into local currency. Transactions that are made in any other foreign currencies other than United States dollars are converted into United States dollars before being converted into local currency. The exchange rate used for the conversion is a wholesale market exchange rate selected by Visa from within a range of wholesale market rates in effect the day before they process the transaction.

Note: Exchange rates quoted by Westpac in your location will not be used to convert foreign currency transactions to the local currency equivalent.

4.4 Purpose of use

- (a) Your Westpac Classic Visa Credit Card must be used predominantly for personal, domestic or household expenditure. Your Westpac Business Visa Card must be used wholly or predominantly for business purposes or investment for business purposes. We reserve the right to determine, in any instance, whether use or proposed use of your Card has been or will be in accordance with this requirement.

- (b) You must not use your Card for any unlawful purpose, including the purchase of goods or services prohibited by the laws of your location and/or the laws of the location where the Card is used or where the goods or services are provided. We may not authorise your transactions where this would result in a breach of a legal or regulatory requirement. We may also suspend your use of the Card where your transactions have breached a legal or regulatory requirement.
- (c) You must also comply with any anti-money laundering or counter-terrorism financing laws in your location. In most, if not all, locations, the Bank is obliged to complete and render a suspicious transaction report to the regulator in your location if it has reasonable grounds to suspect that you have breached the relevant parts of the anti-money laundering or counter-terrorism financing laws in your location.

4.5 Transactions at Electronic Banking Terminals

- (a) You may use your Card at any Electronic Banking Terminal to access your Westpac Classic Visa Credit Card as follows:
 - (i) at ATMs for Cash Advances;
 - (ii) at selected Westpac ATMs in the Region for deposits to the Card Account;
 - (iii) at EFTPOS terminals in the Region to pay for goods or services provided by a Merchant;
 - (iv) at any EFTPOS or ATMs where the Visa scheme logo is displayed.
- (b) You may use your Westpac Business Visa Card at any Electronic Banking Terminal to access your Card Account as follows:
 - (i) at ATMs for Cash Advances if requested;
 - (ii) at EFTPOS terminals in the Region to pay for goods and services provided by a merchant;
 - (iii) at any EFTPOS terminal where the Visa scheme logo is displayed.

- (c) When you make a transaction at any Electronic Banking Terminal, you authorise us to act on the instructions you enter into the terminal.
- (d) You should ensure that the transaction amount is correct before you sign vouchers or transaction records given to you by Merchants or financial institutions and before you enter your PIN at Electronic Banking Terminals. By signing a voucher or transaction record or entering your PIN at an Electronic Banking Terminal, you indicate your agreement that the transaction amount is correct.
- (e) Some Electronic Banking Terminals do not have an account selection facility. Where that is the case, any transaction will be processed to the Card Account.
- (f) In the event that an Electronic Banking Terminal malfunctions or is otherwise unavailable for use, the Merchant may provide alternative manual procedures to enable a transaction to be made. You will then be required to present your Card and sign a transaction voucher. A voucher signed by you authorises us to process the transaction to the Card Account.

4.6 Card acceptance

- (a) We are not responsible if a Merchant or financial institution refuses to accept a Card. Subject to any applicable law, we are not responsible for goods or services supplied to you. If you have a complaint or concern about goods or services purchased with your Card, you must resolve this directly with the Merchant.
- (b) Card promotional material displayed on any premises is not a warranty by us, by any other financial institutions, or by Merchants carrying on business there, that all goods and services available at those premises may be purchased with your Card.

- (c) The Credit Card Contract contains the entire agreement of the Card Account. Where your Card is being used to purchase goods or services from a Merchant, you should disregard any representation, warranty or statement which may be made in connection with the Credit Card Contract by the Merchant, its employees, agents or contractors.

4.7 Transaction limits

- (a) We reserve the right to limit or change the amount which may be withdrawn from a Card Account by use of a Card.
- (b) A maximum daily dollar transaction limit applies to your Card for:
- cash withdrawals through ATMs debited to any account
- (c) The maximum daily transaction also applies at branch terminals.
- (d) A maximum daily cash withdrawal limit may apply at other financial institutions' ATMs. Those institutions may impose additional restrictions.
- (e) You will be advised of the maximum daily transaction limit in the letter advising approval of your application and you will be subsequently advised of any changes to the limit within a reasonable amount of time before the changes take effect.
- (f) Sections (a) to (e) above do not apply to the Westpac Business Visa Card.

4.8 Do transactions have to be authorised?

- (a) Certain transactions on the Card Account may need to be authorised by us before they can proceed. Prior to any transaction being completed, the Merchant or other person involved in the transaction may obtain an authorisation for the transaction. We may not authorise a transaction if:
- the credit limit would be exceeded; or
 - the Primary Cardholder is behind in making payments to the Card Account.

- (b) We reserve the right to decline authorisation for any transaction on the Card Account.
- (c) Once an authorisation is obtained, it will reduce the amount of available funds in the Card Account. If the purchase or other transaction is not completed, the amount of available funds in the Card Account may continue to be reduced for up to four Bank business days after the authorisation is obtained.

4.9 Transaction records

When you complete a transaction through an Electronic Banking Terminal you will receive a printed transaction record. Check your record carefully and retain it to aid in reconciling account statements. If a transaction record is unavailable, you will be notified prior to the completion of the transaction and given the choice of proceeding.

4.10 Processing date and posting of transactions

- (a) Transactions at our Electronic Banking Terminals may be processed to the Card Account on the day that you made the transaction or the following Bank business day.
- (b) If you use your Card in an Electronic Banking Terminal which is not owned by us, we will process the transaction to the Card Account as soon as we receive it. However, transactions may be assigned an effective date in accordance with clause 7.4.
- (c) When, on the same day, multiple transactions are made on the Card Account, or are received by us for processing to the Card Account, debit transactions (such as purchases and Cash Advances) are posted to your account before credit transactions (such as payments). This is the case, even where a credit transaction is made before a debit transaction, and it appears from an account balance enquiry made immediately after the credit transaction that the credit transaction has already been posted to the account.

4.11 Transaction information

To facilitate the processing of Card transactions, information relating to your Card details and transaction details may be processed by Visa in countries other than in the Region. By using your Card, you agree that information regarding the transaction may be processed outside the Region.

4.12 Anti-Money Laundering and Counter-Terrorism Financing Obligations

In order for us to meet our regulatory and compliance obligations relating to anti-money laundering and counter-terrorism financing, we will be increasing the levels of control and monitoring our performance. You should be aware that:

- transactions may be delayed, blocked or refused where we have reasonable grounds to believe that they breach the laws or sanctions of your location (or the law or sanctions of any other country);
- where transactions are delayed, blocked, frozen or refused, Westpac and its correspondents are not liable for any loss you suffer (including consequential loss) howsoever caused in connection with your Card;
- we may from time to time require additional information from you to assist us in the above compliance process;
- where legally obliged to do so, we may disclose the information gathered to regulatory and/or law enforcement agencies, other banks, other members of the Westpac Group, service providers or to other third parties.

You provide Westpac the following undertakings and indemnify Westpac against any potential losses arising from any breach by you of such undertakings.

- (a) you will not initiate, engage or effect a transaction that may be a breach of laws or sanctions of your location (or the law or sanctions of any other country); and
- (b) the underlying activity for which your Card is being provided does not breach any law or sanctions of your location (or the law or sanctions of any other country).

5.0 The Card Account

5.1 How much credit can you obtain?

- (a) We will notify you in writing of the amount of credit that applies to the Card Account. This is called the “credit limit”.
- (b) Transactions made by you must not exceed the credit limit without our prior approval. However, transactions may, at our discretion, be allowed to proceed even though they will cause the credit limit to be exceeded. Remember, the credit limit applies to the Card Account – there is not a separate credit limit for each Supplementary Card issued on the Card Account.
- (c) If the credit limit is exceeded, any amount in excess of the credit limit is payable immediately.

5.2 How much cash can you obtain?

- (a) The minimum amount of any Cash Advance may vary between financial institutions.
- (b) Before a Cash Advance is processed, you may be required to provide the following identification:

In your location either:

A passport or driver’s license bearing your photo; or any two of the following items:

- identity card bearing your photo;
- driver’s license without a photo;
- another debit or credit card bearing your signature;
- employee identity card, union card or student card bearing your signature;
- pensioner identification card; and
- any other identification requirements required under law in your location.

If you are overseas, some banks may require a passport or other identification before a Cash Advance is processed.

5.3 Amounts that are charged to the Card Account

The Card Account will be charged with, and accordingly the Primary Cardholder is required to pay us:

- the amount for goods and services bought directly from a Merchant or by mail order, telephone order or through the internet;
- the amount of all Cash Advances;
- the fees and charges in accordance with clauses 7.1 and 7.3; and
- interest charges imposed on Cash Advances and purchases in accordance with clause 7.2.

6.0 The Statements

6.1 How do you know how much you owe?

- (a) A statement for the Card Account will be issued electronically each month to the Primary Cardholder. The date your statement is issued is called the “statement date” and the period from one statement date to the next statement date is called the “statement cycle”. Your statement will be accessible for download via Westpac’s Internet Banking or Mobile Banking channels. Your statement can be provided by the Bank upon request.
- (b) Each month we will issue your statement to you on the statement date if:
- there are any amounts owing by you or to you; or
 - there have been any amounts debited or credited to the Card Account during the statement cycle.

- (c) Amounts shown on your statement will be expressed in local currency and must be settled in your location in local currency. There is no facility for payment to be made overseas, other than by transferring funds using our Telephone Banking or Internet Banking services.
- (d) A statement will not be issued to you on the statement date where:
 - the debt has been written off, even though you will remain liable; or
 - the Account Holder has died or is insolvent and the Account Holder's personal representative or trustee in bankruptcy has not requested a statement of account; then Westpac will be otherwise excused from sending the Account Holder a statement by law.
- (e) You should keep all vouchers and transaction records given to you or to any Supplementary Cardholder by Merchants and financial institutions, or issued by Electronic Banking Terminals, to help you check statements on the Card Account.

6.2 If you think there is a mistake

- (a) You agree that the amount shown on any sales voucher, Cash Advance voucher or transaction record is sufficient evidence of the cash price of the goods or services or the amount of the Cash Advance to which that voucher or transaction record relates.
- (b) You should check each statement carefully as soon as you receive it. If you wish to dispute an amount charged to the Card Account, you should provide us with written notice of your dispute before the due date shown on your statement.

If you do not dispute an amount shown on a statement by the due date, our ability to obtain a refund (if applicable) may be restricted under Visa scheme rules.

Please refer to clause 9.1 for details of how to notify us of disputed transactions

Please read clause 10.2 to obtain details of your liability where unauthorised transactions are made on a Card Account.

7.0 The Charges

7.1 Fees and charges

- (a) Subject to all applicable laws, we may charge the Card Account with any fees or charges. The Annual Percentage Rate and other fees and charges applying to the Card Account are variable in accordance with clause 12.3.
- (b) The Card Account will be charged with an annual card fee (where an annual card fee is applicable) before the first Cash Advance or purchase transaction, unless the Card Account features a waiver of the first year's annual card fee. The fee is then charged on the anniversary of when the first fees were charged.
- (c) Other fees and charges may apply as outlined in the letter which advises the credit limit and other prescribed information which we are required to give you by law.

7.2 Interest charges

- (a) Interest charges on Cash Advances and (subject to the interest free period conditions) on purchases will be calculated in accordance with clause 7.2.1 and charged for each statement cycle at the statement date. Details of the interest charges will be shown on your statement.
- (b) Information on current interest rates and fees and charges applying to our Credit Cards is available on request.

7.2.1 Calculation of interest charges

Cash Advances and purchases outstanding at the beginning of the statement cycle and recorded during the statement cycle are separately assessed for interest charges, under different conditions:

7.2.2 Cash Advances

If a Cash Advance is made after the start of the statement cycle to which the statement relates, the interest charge on the Cash Advance is calculated from the date the transaction is made or from the date assigned to the transaction in accordance with clause 7.4 (the “transaction date”) until the amount is paid in full. If the transaction date was before the start of the statement cycle to which the statement relates, the interest charge on the Cash Advance is calculated from the first day of that statement cycle until the amount is paid in full.

7.2.3 Purchases

If a purchase is made after the start of the statement cycle to which the statement relates, the interest charge on the purchase is calculated from the transaction date until the amount is paid in full, unless the purchase is eligible to obtain the benefit of an interest free period. If the transaction date was before the start of the statement cycle to which the statement relates, the interest charge on the purchase is calculated from the first day of that statement cycle until the amount is paid in full, unless the purchase is eligible to obtain the benefit of an interest free period.

- (a) The interest charges on Cash Advances and purchases (not receiving the benefit of an interest free period) are calculated daily, by applying the Daily Percentage Rate separately to the unpaid daily balances of Cash Advances and purchases.

The total amount of interest charges debited to the Card Account is the sum of the interest charges on Cash Advances and purchases for the number of days in the statement cycle and may include adjustments relating to prior statement cycles.

7.2.4 Accounts with interest free period for purchases

- (a) All of the Card Accounts below offer an interest-free period for purchases, subject to the conditions described in this clause:
- Westpac Classic Visa Credit Card;
 - Westpac Business Visa Card.
- (b) What is an interest free period? An interest free period consists of:
- (i) the 'initial interest free days' which start from the transaction date and end on the statement date; and
 - (ii) 'further interest free days' which start after the statement date and end on the due date or payment date (whichever comes first).
- (c) When does the 'initial interest free days' condition apply? The 'initial interest free days' will apply to a purchase if you pay the closing balance in full by the due date shown on the statement preceding that purchase.
- (d) When does the 'further interest free days' condition apply? A purchase will have 'further interest free days' only if:
- (i) you have paid the closing balance in full by the due date shown on the statement preceding the purchase (i.e. the 'initial interest free days' condition has been met; and
 - (ii) you pay the closing balance in full by the due date shown on the statement recording the purchase.
- (e) How many 'further interest free days' apply to the Card account?
- Up to 25 days for Westpac Classic Visa Credit Cards.
 - Up to 15 days for Westpac Business Visa Cards.

- (f) What happens if payment is not made in full?
If you do not pay the full amount of the closing balance by the due date shown on your statement, unpaid purchases outstanding as well as all new purchases will be included in the calculation of the interest charge.

7.3 Government charges

Subject to any applicable law, the Card Account will be charged with:

- all or any contract stamp duty payable in respect of the Credit Card Contract; and
- any government duties, taxes, rates, levies or charges, now or in the future, in your location charged upon or in relation to the use of your Card or transactions debited or credited to the Card Account, whether or not you are primarily liable for such duties, taxes, rates, levies or charges.

7.4 Effective date and adjustments

- (a) We may assign any date we consider appropriate to a debit or a credit to the Card Account, but in the case of a debit, that date must not be earlier than the date on which the relevant transaction occurred. If we do this we may make consequential amendments (for example, to interest).
- (b) You are liable to us for the amount of any purchase or Cash Advance from the date we assign to the transaction under this clause, and the credit we provide under those amounts is payable under these Conditions of Use.
- (c) We may subsequently adjust a debit or credit to the Card Account so as to accurately reflect the legal obligations of you and us (for example, because of an error or the dishonour of a cheque). If we do this, we may make consequential adjustments (for example, to interest).

8.0 The Payments

The following clauses; 8.1, 8.2, 8.3, 8.4 and 8.5 apply to the Westpac Classic Visa Credit Card. Clause 8.3 and 8.6 apply to the Westpac Business Visa Card.

8.1 What is the minimum payment required?

- (a) The minimum payment that we require from you (being the Primary Cardholder) each month will be shown on the Card Account statement. Your payment due date is 25 days from your statement date for the Westpac Classic Visa Credit Card.
- (b) If you do not wish to pay the full amount of the Closing Balance shown on your statement by the due date, you must pay at least the minimum payment shown on your statement by the due date.
- (c) If your statement shows a Closing Balance, the minimum payment will be equal to 5% of the Closing Balance rounded up to the nearest dollar.
- (d) Your minimum payment obligation may only be met by making payments in the ways described in clause 8.2. Credits to the Card Account in the form of sales refund transactions (the refund of purchases made using your Card) and interest or fee refunds are not counted toward your minimum monthly payment.

8.2 How and where can you make your payment?

- (a) You must make payments to the Card Account in your local currency. As there is no facility for you to pay your account overseas, you must arrange for payments to be made to the Card Account whenever you are overseas.
- (b) You can make payments to the Card Account by:
 - transferring funds through our Telephone Banking or Internet Banking services; or

- paying at one of our branches; or
 - by mailing your cheque payment to us at the address shown on your statement. **DO NOT SEND US CASH THROUGH THE MAIL.**

- (d) Payments will be credited to the Card Account as soon as practicable after receipt.
- (e) If you cannot make a payment which is due, you should contact us immediately. We may be able to help you.

8.3 How we apply your payments

All payments made to the Card Account will be applied in the following order:

- Government duties, taxes, rates, levies and charges incurred to date;
- interest charges incurred to date;
- Bank fees and charges incurred to date;
- the principal balance.

8.4 Uncleared funds

To protect against fraud, you cannot withdraw the value of deposited cheques until 4 Bank business days for local cheques, and up to 6 weeks for foreign cheques after the deposit has been made. In certain uncommon circumstances, this period may be extended by a further 1, or even 2, Bank business days.

If drawings are made against a deposited cheque before it has been paid by the financial institution on which it is drawn, you will have to reimburse the Bank if the cheque is subsequently dishonoured.

8.5 Making payments to your Card Account

(a) Repayment obligations

The statement of accounts shows how much the Account Holder must pay to Westpac and when the payment is due.

(b) Amounts payable immediately

The following amounts will be shown on the statements of account as being payable immediately:

- (i) over limit amounts; and
 - (ii) overdue amounts.
- (c) Amounts payable by the 'due date'

The Account Holder must make the 'monthly payment' shown on each statement of account by the 'due date' shown on that statement of account. Additional payments can also be made toward the 'Closing Balance' shown on the statement of the account.

If the 'Closing Balance' is within the credit limit, the 'monthly payment' required is 5% of the outstanding balance each month, plus any unpaid past due amounts from previous statements, or any amounts that exceeds the credit limit.

8.6 Making payments to the Westpac Business Visa Card

Repayments will be completed using Auto Pay. An account will be nominated for each business card (it can be the same account for all cards) and the full balance will be collected monthly by the end of the billing cycle.

(a) How Auto Pay Works

Three days before end of billing cycle, a sweep will commence to collect funds for each card from the Nominated Account. If the sweep fails due to insufficient funds, it will be re-run for two more days.

If all funds are collected there will be no interest charged. By the third day if unsuccessful, the account will be charged fees/interest at applicable rate and relationship manager will manage the collection of funds. If successful and the nominated account is overdrawn, applicable fees will apply as per the terms and conditions of the nominated account.

9.0 Errors/Disputes and Resolutions

9.1 How to report a lost or stolen Card or PIN or unauthorised transactions?

(a) What to do.

You must immediately notify us if your Card or PIN record is lost or stolen, or you suspect that unauthorised transactions have been made on your Card Account. We will give you a notification number or some other form of acknowledgment which you should retain as evidence of the date and time of your report. Where your report is made by telephone, we may require you to confirm it at one of our branches and complete certain documentation.

(b) How to tell us.

- if any Card is lost or stolen in your location or overseas, the best way to contact us is to telephone us using the number listed on the inside cover of these Conditions of Use. You may call in at one of our branches in your location, but we prefer that you telephone us immediately so that we can put a stop on your Card straight away.
- you must tell us of the loss or theft of your Card immediately or within a reasonable time if you cannot contact us immediately. We will not be responsible for any loss or damage, if you fail to notify us as above. If you can't contact us by phone because our

telephone numbers are not available, you will not be responsible for unauthorised use of your Card or PIN which could have been prevented if you were able to contact us by phone, provided you tell us of the loss, theft or misuse of your Card or PIN within a reasonable time from the re-establishment of our telephone reporting facilities.

9.2 Investigating and resolving problems

- (a) If you have a problem or complaint, we aim to resolve it at your first point of contact with us. If we cannot do so, we will escalate to your account manager.
- (b) If you feel we did not act fairly in the way we handled your complaint or in the way we resolved your complaint, you can ask your branch manager to review the matter for you. Your branch manager's role is to act independently as possible to make sure that Westpac has treated you fairly.

10.0 Unauthorised Transactions

10.1 Protecting your Card and PIN

- (a) Because anyone who has your Card and PIN can make transactions on your Card Account, you must take special care to protect them.
- (b) To protect your Card, you must:
 - sign it as soon as you receive it;
 - carry it with you whenever you can;
 - regularly check that you still have your Card;
 - not give your Card to anyone else, including a family member or friend.
- (c) If you make a record of your PIN; you must keep it separate and well away from your Card, even if it is well disguised, to minimise the risk of unauthorised transactions occurring on your account. For example, you must not keep your Card and undisguised PIN together:
 - sign it as soon as in a wallet, bag or briefcase, even if in different compartments;

- in your car, even if in different areas of your car;
 - in your office or at home in the same room;
 - in any other situation where your Card and PIN can be found and used.
- (d) To protect your PIN, you must:
- try to memorise it;
 - destroy our letter telling you your PIN (if applicable);
 - not write your PIN on your Card, even if it is disguised;
 - not keep a record of your PIN with or near your Card;
 - not tell anyone your PIN, including family members, friends and our staff;
 - make sure that nobody watches you enter your PIN at Electronic Banking Terminals;
 - never enter your PIN in an Electronic Banking Terminal that does not look genuine, has been modified, has a suspicious device attached to it or is operating in a suspicious manner;
 - be ready to make a transaction when you approach an Electronic Banking Terminal;
 - make sure that you do not leave anything behind when you complete a transaction, including leaving your Card unattended in or at an Electronic Banking Terminal;
 - notify us immediately if your PIN mailer has not been received intact, or if a PIN change has taken place without being requested.
- (e) If you make a record of your PIN, you must either take reasonable steps to prevent unauthorised access to the record or ensure the record is reasonably disguised. We do not consider that you have made a reasonable attempt to disguise a PIN if you only:
- record it in reverse order;
 - record it as a series of numbers with any of them marked to indicate the PIN;
 - record the PIN as a telephone number with the PIN in its correct sequence anywhere within the telephone number;

- record the PIN as a telephone number where no other telephone numbers are recorded;
- disguise the PIN as a date or as an amount.

There may be other forms of disguise which may be similarly unsuitable because of the ease of another person working out your PIN.

10.2 Liability for unauthorised transactions

10.2.1 Transactions not involving Manual Signature Comparison

This clause 10.2.1 explains the Account Holder's liability for losses resulting from unauthorised transactions which are initiated through Electronic Equipment and do not involve Manual Signature Comparison.

- (a) When the Account Holder is not liable
- (i) The Account Holder will not be liable for losses resulting from unauthorised transactions where it is clear that the User has not contributed to the loss.
- (ii) The Account Holder will not be liable for losses resulting from unauthorised transactions that:
- are caused by the fraudulent or negligent conduct of our staff or agents or of companies involved in networking arrangements or of Merchants who are linked to the EFTPOS system or of their agents or employees; or
 - happen before the User receives their Card or receives or selects their PIN, including a replacement or reissued Card or PIN; or
 - happen after we have been notified that a Card has been misused, lost or stolen or that PIN security has been breached; or
 - re made with a Card or PIN that is forged, faulty, expired or cancelled (as applicable); or
 - is the result of the same transaction being incorrectly debited more than once to the same account.

- (b) When the Account Holder is liable
- (i) The Account Holder will be liable for losses resulting from transactions which are carried out by the User, or by another person with the User's knowledge and consent.
- (ii) The Account Holder will be liable for actual losses resulting from unauthorised transactions caused by the User:
- engaging in fraud; or
 - voluntarily disclosing their PIN to anyone, including a family member or friend; or
 - keeping a record of their PIN;
 - without making a reasonable attempt to disguise it or to prevent unauthorised access to it; and
 - in a way that it could be lost or stolen with their Card; or
 - writing their PIN or a disguised record of their PIN on their Card; or
 - acting with extreme carelessness in failing to protect their PIN.
 - authorising card transactions in advance against subsequent charges for the purchase of goods or services.
- (iii) The Account Holder will also be liable for actual losses resulting from unauthorised transactions caused by the User delaying notifying us of the misuse, loss or theft of their Card, or of their PIN becoming known to someone else. The Account Holder's liability will only extend to losses which occur between the time when the User became aware (or should reasonably have become aware) of such misuse, loss or theft and when we were actually notified.
- (iv) The Account Holder will not be liable to pay for:
- that portion of the losses incurred on any one day which exceed the daily transaction limit applicable to the Card Account;
 - that portion of the losses incurred which exceed the balance of their Card Account, including any pre-arranged credit;
 - losses incurred on any accounts which the Account Holder and the Bank had not agreed could be accessed using the Card and PIN.

- (v) The Account Holder's liability is subject to Westpac proving on the balance of probability that the User contributed to the losses in one or more of the ways listed above.
- (c) When limited liability applies
The Account Holder will only be liable for losses resulting from unauthorised transactions to a limited extent, in circumstances where a PIN was required to perform the transaction and it is unclear whether the User contributed to the loss. The Account Holder's liability in such cases will be the least of:
- the balance of the Card Account, including any pre-arranged credit; or
 - the actual loss at the time we are notified of the misuse, loss or theft of the Card or of the PIN becoming known to someone else (excluding that portion of the loss incurred on any one day which exceeds the applicable daily transaction limit).

10.2.2 Other unauthorised transactions

The Account Holder will not be liable for losses resulting from unauthorised transactions made on the Card Account, provided the Card Account is in good standing and the User:

- has exercised vigilant care in safeguarding their Card from risk of loss, theft or unauthorised use; and
- immediately and without delay takes reasonable steps to notify us upon discovery of the loss, theft or unauthorised use of their Card, in terms of clause 9.1(a); and
- has not reported two or more incidents of unauthorised use in the preceding 12 months; and
- has complied with the Credit Card Contract.

Notwithstanding the above, the Account Holder will not be liable for losses resulting from unauthorised transactions made on a Card Account after we receive notice from the User in terms of clause 9.1(a). Until we

receive such notice, the Account Holder may be liable for losses resulting from unauthorised transactions which were not initiated through Electronic Equipment and/or involved Manual Signature Comparison.

10.2.3 eCommerce Transactions
