# BUSINESS LENDING PRODUCT TO HELP ACCELERATE YOUR BUSINESS

Westpac is committed to supporting entrepreneurs with scalable business loans to help more Fijians turn their business dreams into reality. We understand that accessing finance can be one of the biggest challenges when starting or growing a business, which is why we've made it easier to apply for the funding you need to succeed.

## Use our business lending product to:

### **Asset Finance**

Acquire essential fixed or moveable assets to grow and support your business operations.

### **Working Capital Solutions**

Secure the funds you need to manage day-to-day expenses and keep your business running smoothly.

### **Marketing & Digital Growth**

Attract more customers through social media marketing, online advertising, or website development.

### **Business Expansion Funding**

Finance acquisitions, start-ups, property purchases, developments, or strategic investments.

### **Debt Refinancing**

Refinance existing loans, long-term overdrafts, or restructure current debt with Westpac Fiji for better terms.

## Features and benefits of the loan include:

- Suitable for small business owners and commercial property investors
- Choose between a fixed and variable rate - whatever works best for you
- Variable rate allows you to make extra payments which can reduce the life of your loan
- Fixed rate option provides certainty on repayments
- A lower base interest rate offered compared to a standard Business Term Loan product

## Who can apply?

A registered Business entity domiciled in Fiji,  
Meets the banks underwriting standards for the product.

## Easy application process

Speak to a Relationship Manager at your local branch.
